Description

Grunwald II Bavaro Punta Cana Caribbean Real Estate 2BR For Sale Dominican Republic

Situated in the charming and friendly community of Grunwald II, this 2 bedroom apartment has one master bedroom and 1 guest bedroom. There is a big open living area and dining area, terrace, and air conditioning in the bedrooms. The condo is fully furnished allowing you to move into your new home immediately.

Grunwald II is a cozy, exclusive residential community situated on the east coast of the Dominican Republic, in the area known as El Cortecito Bavaro. This fenced and gated community is located at the entrance of Los Corales in the center of Bavaro. There are 36 apartments plus a commercial and residential building which has an open-air gym. Each apartment has 1 designated parking space. Condo owners have access to the beach at a private beach club.

The apartment is approximately 300 meters/yards from the beach and is in close proximity to banks, pharmacy, shops, restaurants with international and local cuisine, boutiques, pizzerias and discos where you can enjoy Dominican nights with the frenzied rhythm of merengue, salsa, and bachata.

A 5-minute ride will bring you to both the Cocotal Golf & Country Club as well as the Palma Real Shopping Village, home to Punta Cana Hard Rock Cafe, Quicksilver, Tommy Hilfiger, Guess, Apple, and more with dozens of additional options for one of the best shopping experiences in the Dominican Republic.
